Purpose

The Toyokawa International Association has helped many internationals by providing foreign language consultation and Japanese classes. We will continue to carry out various activities for the internationalization of Toyokawa City and for a friendly and peaceful life for foreign and Japanese people living in Toyokawa City and nearby areas.

In particular, we would like to focus on educating young people to become international citizens and promote the internationalization of Toyokawa City together with Toyokawa City Hall, the police, companies, and schools. We would like to ask for the participation of those who agree with our ideas and are willing to cooperate with us. Our keyword is **“Exchange + Expand×Happy!”**
